RE-ISSUE

PROPOSED USE OF "AKHMED" AS GROUP LEADER IN THE WHITE LINE (1944)

From: NEW YORK

To: MOSCOW

No: 1584

12 Nov. 44

To VIKTOR. [1]

After thorough consideration of AKHMED's^[ii] qualities and (in part) of his potentialities, we have come to the conclusion that he is suitable for the role of group leader in the White Line in place of [Q. BEK].^[iii] However, for our proposal to be [Q. made] with confidence a personal talk with AKHMED himself is [Q. absolutely] essential. In this talk we should also clarify the all-important question of AKHMED's potentialities in the First Line (see his communication about KATZ[KATs]^[iv] and CALIPH[KALIP])^[v]. We have received from BEK a detailed personal description of AKHMED which gives grounds for thinking that the latter is devoted to us and exceedingly capable as a probationer^[STAZHER]. Please give sanction for NAZAR^[vi] to have a special personal talk with AKHMED for the purpose of deciding in what direction he should be used in future.
